Festive Season in Prague

Prague is never more enchanting than during the winter holidays. Come enjoy the city's old-world charm with twinkling lights, traditional Christmas markets and the scent of mulled wine filling the air or opt for a splendid New Year's Eve to ensure that 2023 starts on a high note.

Combine gracious hospitality with a 16th century baroque landmark and you have the beautiful Alchymist Grand Hotel and Spa.

Just steps from the fabled Charles Bridge, this intimate retreat reflects the nobility of historic Prague. From the Family Suite with its view of Prague Castle to the Royal Suite in the historic wing, each accommodation is a romantic sanctuary.

Savour international cuisine at Aquarius Restaurant, and enjoy afternoon tea, special gingerbread coffee and some snack or desserts at the Casanova-inspired Barocco Vaneziano Café.

To prepare for your day's excursion, indulge in a treatment at the Ecsotica Spa. Once relaxed, you can set off to explore the Old Town Square Christmas market or take a boat ride along the Vltava River.
